## 00500.L0

- Serie completa di 10 pezzi corti
- Complete set short 10 pieces
- Jeu complet court 10 pièces
- Set surtido corto de 10 piezas
- Sada 10 ks krátkých elektrod

## 00500.L0L

- Serie completa di 10 pezzi lunghi
- Complete set long 10 pieces
- Jeu complet long 10 pièces
- Set surtido largo de 10 piezas
- Sada 10 ks dlouhých elektrod

## MEDI-PENCIL

- Manipolo portaelettrodi con doppio interruttore cut/coag, non sterile, autoclavabile.
- Electrosurgery pencil with double finger switch, non sterile, autoclavable
- Manche porte electrode réutilisable avec interrupteur digital, non sterile, autoclavable
- Mango porta electrodo interruptor digital, no esteril, esterilizabile
- Elektrochirurgický držák monopólních nástrojů se dvěma spínači, nesterilní, autoklávovatelný

### STANDARD TYPE CUT-COAG surgery pencil

2835P300LA	3 metre cable, with blade electrode
2835P300ST	3 metre cable, without electrode
2835P500LA	5 metre cable, with blade electrode
2835P500ST	5 metre cable, without electrode

### Spare electrodes for CUT-COAG or foot-controlled electrocautery pencil

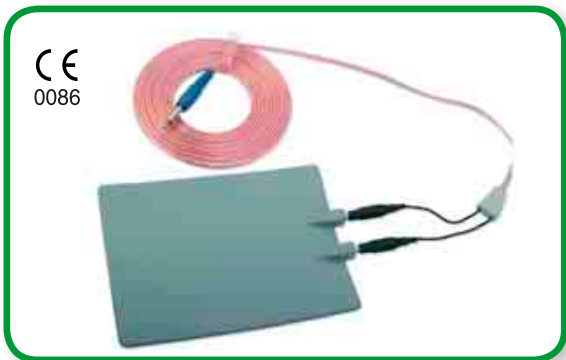

2835RI00LA	stainless-steel insulated blade electrode
2835RI00AG	stainless-steel insulated needle electrode
2835RI00PA	stainless-steel insulated ball electrode
(Pack of 10 pcs)	

- Manipolo monouso, sterile con doppio interruttore cut/coag ed elettrodo a lama.
- Electrosurgery pencil with double finger switch, blade electrode, disposable, sterile.
- Manche porte electrode réutilisable avec interrupteur digital, usage unique, stérile.
- Mango porta electrodo doble interruptor digital, desechable, esteril.
- Elektrochirurgický držák nástrojů držák monopólních nástrojů se dvěma spínači, nožová elektroda, sterilní, jednorázový

### DISPOSABLE ELECTROCAUTERY PENCIL with CUT-COAG
